### **Belt & Road Trade and Investment Forum Unleashing Potential for Shared Future**

12 April 2018, Diaoyutai State Guesthouse, Beijing, China

Dear Sir/Madam,

It is our great pleasure to invite you to participate in the Belt & Road Trade and Investment Forum, which will be held in Beijing on 12 April 2018, co-hosted by China Chamber of International Commerce (CCOIC), the Silk Road Business Council (SRBC) and the ICC World Chambers Federation.

Since the announcement of the Belt and Road (B&R) Initiative, it has become a major interest of the international business community, opening up with unlimited business opportunities that lie along an area with a large population, rich resources and developing status.

Under the theme, "Unleashing Potential for Shared Future", the Forum discussions shall focus on five topics, encompassing "Current Development in B&R", "Financing for B&R Projects", "Prospects for B&R Industrial Investment", "Trade & E-commerce: New Era, New Pattern" and "Legal Risk Management and B&R Dispute Resolution". It shall bring together government, chamber and business leaders, trade and investment promotion organisations, as well as academics, providing a high-level interactive platform to discuss B&R trade and investment, exchange ideas, views and experiences, and explore opportunities for cooperation.

We do hope you accept our invitation to this event. It will be a great privilege for us and delegates to benefit greatly from your experience and knowledge.

In order to facilitate our preparations for this event, it would be greatly appreciated if you could confirm your interest in participating in this event before March 15th. A formal invitation letter will be then forwarded for visa purposes. A Tentative Programme and Registration Form are enclosed.

Thank you in advance for your kind consideration of this invitation. We look forward to welcoming you in Beijing.

Yours sincerely,

Yu Jianlong  
Secretary-General  
**China Chamber of International Commerce  
Silk Road Business Council**

Peter Mihok
